## INCREDIBLE SEA ARCHES AROUND THE WORLD

### Durdle Door

Durdle Door is a sea arch that juts out from the Jurassic Coast of Dorset, England. It is privately owned, but is open to the public. Made of limestone, the arch is joined to land by a 120-meter (390-foot) long isthmus. This sea arch is accessible by foot, though it involves walking a steep path with steps from Lulworth Cove. The 140-million year-old Durdle Door is one of the most photographed spots on the Jurassic Coast.

A breathtaking natural limestone arch with a flat top, the Azure Window is one of Malta's top attractions. Situated on the island of Gozo, the arch has been featured in movies and television shows, and is a famous icon of Malta. The tourist village of Dwejra is nearby to serve the needs of visitors who scuba dive, swim and boat around the arch where it drops into the Dwejra Bay. The arch is visible from a great distance. Most people hike there, enjoying the extraordinary view as they go and then cooling off in the water.

### Azure Window

### Honopu Arch

Honopu Arch is the tallest arch in Hawaii. It can be found on the Na Pali coast on the island of Kaua'i. It is in an isolated part of the island, reachable only by boat and then swimming to shore as boats cannot dock here. It is more like a natural bridge, as there's a waterfall on the landside that drains through the arch's tunnel. There's a small beach area on each side of the arch. The area appeared in the 1976 remake of King Kong and in the 1998 movie Six Days Seven Nights.

## QUOTES FOR THE MONTH

- ☉ Love is the greatest refreshment in life. - Pablo Picasso
  - ☉ Faith has to do with things that are not seen, and hope with things that are not in hand. - Saint Thomas Aquinas
  - ☉ The difference between 'involvement' and 'commitment' is like an eggs - and - ham breakfast: the chicken was 'involved'
  - ☉ The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will.
  - ☉ An inconvenience is only an adventure wrongly considered; an adventure is an inconvenience rightly considered.
- All truth passes through three stages. First, it is ridiculed. Second, it is violently opposed. Third, it is accepted as being self-evident.
- ☉ Successful and unsuccessful people do not vary in their desires to reach their potential.
  - ☉ How you spend your time, is more important than how you spend your money. Money-mistakes can be corrected, but time is gone forever.
  - ☉ If your actions inspire others to dream more, learn more, do more, and become more, you are a leader.
  - ☉ What sunshine is to flowers, smiles are to humanity.
  - ☉ Blessed is the man who has found his work. Let him ask no other blessings.
  - ☉ Alone we can do so little; together we can do so much.
  - ☉ Cultivating a habit is like ploughing the field. Habits generate other habits.
