## Ten Oaths for Students and Youth

1. I realize that small aim is a crime. I will have a great goal in my life and work hard to achieve that goal. I will acquire the knowledge continuously. I will Sweat, Sweat, Sweat. I will persevere to achieve the goal.
2. I will work with integrity and succeed with integrity.
3. I will be a good member of my family, a good member of the society, a good member of my state, a good member of the nation and a good member of the world.
4. I will always try to save or better someone's life, without any discrimination of caste, creed, language religion or state. Wherever I am, a thought will always come to my mind. That is "What can I do for you?"
5. I will never get addicted to liquor, smoking and gambling. I will always try to retrieve atleast 5 people from addiction and help them to lead a quality of life.
6. I will always remember the importance of time. My motto will be "Let not my winged days, be spent in vain".
7. I will plant at least 5 trees in my neighbourhood and grow. I will always work for making my village clean, city clean and state clean so that my earth will be clean and green. I will do all my best to achieve Energy Independence by 2030.
8. As a youth of my nation, I will work and work with courage to achieve success in all my tasks and enjoy the success of others.
9. I am as young as my faith and as old as my doubt. Hence, I will light up then, the lamp of faith in my heart.
10. My national flag flies in my heart and I will bring glory to my state and the nation.

## TOP TOURIST ATTRACTIONS IN THE WORLD

Located on the Colorado River about 24 miles southeast of Las Vegas, Lake Mead is the largest reservoir in the United States. It's formed by the Hoover Dam, and though that engineering marvel is often what draws visitors to the lake, the water also offers its own attractions, including boating, fishing, swimming and kayaking.

### LAKE MEAD - NEVADA, USA

### BRITISH MUSEUM - LONDON, ENGLAND

Dedicated to human history, art and culture, the British Museum is home to a collection of more than 8 million artifacts and works of art. Opened in 1759, it was the first national public museum in the world and, to this day, it charges no admission fee. The museum is always busy, even more so during the opening and closing weeks of special exhibitions, on Saturdays, and on rainy days, when people visit in droves to avoid London's gloom. To beat the bulk of the crowds, visit on a weekday (Tuesdays see particularly light crowds), Sunday or Friday evening.

## BOOST AND IMPROVE YOUR IMMUNE SYSTEM

**ELDERBERRIES**

Elderberry is a shrub that has been used medicinally for centuries. *Sambucus nigra*, or black elderberry bush, is the version most commonly used to make syrup and lozenges. Extracts of elderberry have antiviral, anticancer, and anti-inflammatory properties. Elderberry is also high in flavonoids. People take elderberry syrup as a remedy for colds, flu, and bacterial sinus infections. The plant medicine works by reducing swelling in mucus membranes. Some studies suggest elderberry extract reduces the duration of the flu. If it works for flu infections, it may help your immune system against coronavirus (COVID-19) infection.

**MUSHROOMS**

Wondering how to boost your immune system? Eat more button mushrooms. Mushrooms are high in selenium and B vitamins like riboflavin and niacin. These minerals and vitamins are necessary for the immune system to work in tip top form. Mushrooms are also high in polysaccharides, sugar-like molecules that boost immune function.

### Flavorful Fungus

Mushrooms have a savory quality that can enhance the flavor of many dishes. Not quite sure how to eat mushrooms? Try the following mouth-watering ways to serve up these tasty fungi.

**TIPS**

Even before you open your fridge, preheat your oven. Whether you're roasting vegetables or baking a cake, preheating your oven can save much-needed minutes off your total cooking time.

A woman gets on a bus with her baby. The bus driver says, "That's the ugliest baby that I've ever seen. Ugh!" The woman goes to the rear of the bus and sits down, fuming. She says to a man next to her, "The driver just insulted me!" The man says, "You go right up there and tell him off – go ahead, I'll hold your monkey for you."

## Learn about.....

### Wine of the Month

More than thirty vintages after its first release, Don Melchor has accomplished an unparalleled record, showcasing Chile's potential for crafting world-class Cabernet Sauvignon from Puente Alto Vineyard. Don Melchor 2017 marks the 30th Anniversary of the winery, characterized by a great harvest and a wine of extraordinary elegance and balance. The year was warmer than usual, with less precipitation than average, contributing to the final blend of 98% Cabernet Sauvignon and 2% Cabernet Franc. The wine aged for 15 months in French oak barrels (67% first use, 33% second use). Deep cherry red in color, Don Melchor 2017 is highly aromatic and with notes of black cherry and red fruit. On the palate there are strong notes of Cabernet Sauvignon from Puente Alto, with fine and delicate tannins, in addition to good density and a long-lasting finish.
