**BOOST AND IMPROVE YOUR IMMUNE SYSTEM**

**BROCCOLI**

Broccoli is supercharged with vitamins and minerals. Packed with vitamins A, C, and E, as well as fiber and many other antioxidants, broccoli is one of the healthiest vegetables you can put on your plate. The key to keeping its power intact is to cook it as little as possible - or better yet, not at all. ResearchTrusted Source has shown that steaming is the best way to keep more nutrients in the food.

**CITRUS FRUITS**

Most people turn straight to vitamin C after they've caught a cold. That's because it helps build up your immune system. Vitamin C is thought to increase the production of white blood cells, which are key to fighting infections. Almost all citrus fruits are high in vitamin C. With such a variety to choose from, it's easy to add a squeeze of this vitamin to any meal.

Always use ghee or vanaspathi with or instead of oil, which gives a good flavour to the gravy. If oil alone is used, it does not get separated easily from the ground mixture, as ghee separates from it.

## Wine of the Month

Meiom Cabernet Sauvignon offers a beautifully balanced and deliciously complex red. The Cabernet Sauvignon reveals a deep ruby color with expressive aromas of juicy blackberry, boysenberry and bramble, laced with hints of toasty vanilla and graham cracker. The full and bold flavors are highlighted by a plush, velvety mouthfeel with a long finish. The coastal influences of California, from the dense fog and brilliant sun to the high winds, cool coastal air and diverse terrain, lend itself to this unique wine. Each of the coastal vineyards chosen for this wine – sourced from California's North Coast – offers the best representation of its origin, carefully blended to achieve balance, complexity and richness of flavor.
