MOST AMAZING DESTINATIONS IN NORTHERN SPAIN

BILBAO

Once known primarily as an industrial port city, Bilbao has reinvented herself as a center for modern art and architecture. Set amidst the rolling green hills of Basque country, Bilbao is home to the Guggenheim Bilbao Museum, a gleaming, modernistic structure clad in titanium designed by famed architect Frank Gehry. Bilbao's historic architecture is a stunner as well, featuring many beautiful buildings like the 14th century Gothic Cathedral of Santiago and the Basilica de Begoña.

The capital city of Galicia, Santiago de Compostela is famous as the final destination of the traditional pilgrimage known as Camino de Santiago. Also called the Way of St. James, this pilgrimage dates back to Medieval times and is important to many because it is believed that Santiago de Compostela is where St. James, an Apostle of Jesus Christ, is buried. The arriving point for most pilgrims is the main square. Situated in the heart of the city, this bustling plaza is the scene of many important landmarks, particularly the Santiago Cathedral where the tomb of St. James is located.

SANTIAGO DE COMPOSTELA

SAN SEBASTIAN

Found in Basque country, just 19 km (12 miles) from France, this popular beach resort is surrounded by hills that add to its beauty. San Sebastián's most famous attraction is La Concha, one of the world's best urban beaches. Parte Vieja or Old Town has many bars, making it popular with partiers. Most buildings date from the 19th century, since San Sebastián was destroyed by the English and Portuguese in 1813. The city is well known for its July jazz festival, the oldest in Europe, as well as other festivals and cultural events throughout the year.

Tips

To remove the skin of tomatoes, place them in warm water for 5-10 minutes. The skin can then be easily peeled off. When tomatoes are not available or too costly, substitute with tomato puree or tomato ketchup/sauce.
