Learn about.....

Yuengling IPL

After brewing traditional lagers for over a century, it's time to spice things up! Introducing Yuengling® IPL or India Pale Lager, a well-balanced lager that shows off an unexpected mix of hops. This isn't just a hopped up lager, but a truly unique brew with a crisp, clean character bursting with complex hop notes.

The blend of 2 row malted barley and aromatic specialty malt provides the base and complements the fruity notes from the Bravo hops, tropical notes from the Belma hops, citrus notes from the Cascade hops and strong floral notes from the Citra hops. Dry hopping after fermentation imparts an appealing citrus aroma.

With its hop - forward style, Yuengling IPL is redefining the limits of what a lager can be.

QUOTES FOR THE MONTH

- ☉ A smile is the lighting system of the face, the cooling system of the head and the heating system of the heart.
- ☉ Excellence is the gradual result of always striving to do better.
- ☉ Before complaining about the taste of your food, think of someone who has nothing to eat.
- ☉ Neither a borrower nor a lender be.
- ☉ Reputation is what men and women think of; Character is what God and Angels know of us.
- ☉ Everything comes too him, who hustles while he waits.
- ☉ Every exit is an entry to somewhere.
- ☉ The time to repair the roof is when the sun is shining.
- ☉ Glory is like a circle in the water, which never ceaseth to enlarge itself, till by broad spreading it disperses to naught.
- ☉ Forget injuries; never forget kindnesses.
- ☉ If they can make Pencillin out of moldy bread, they can sure make something out of you.
- ☉ Forgiveness is a virtue of the brave.
- ☉ It does not matter how slowly you go, so long as you do not stop.
- ☉ Great things are done when men mountains meet.
- ☉ He who will not economize will have to agonize.
- ☉ Whomsoever you go, go with all your heart.

1. To chop vegetables use a wooden board it will not blunt the knife. Never use a plastic board, because small plastic pieces may go with the vegetables when you cut them.

2. To make softer chapatis, take flour in a bowl, add salt and little oil. Then add boiled water and mix slowly until soft dough is formed. Keep it aside for 15 min before making the chapatis.

While using ginger-garlic paste in curries, always use garlic at 60% ratio and ginger at 40% as ginger being very strong makes your dish sharp and pungent.

TIPS

You can soak beans of different kinds in advance and refrigerate them once done. This way when you want to have rajma or chole, you can just take out from the freezer and cook without having to wait for another day or two.
