Tips

When preparing any kind of Baby-corn recipe (Like baby - corn masala or pakoras of babycorn), always add garam - masala to it. Since baby - corn on its own is a bland vegetable, garam - masala is the right spice to bring the flavors in the dish.Santha Kumar

Mira Syrah

This Hyde Vineyard gem reveals espresso, charcoal and violets, followed by waves of salty caramel, boysenberry and licorice. Youthful restraint surrenders to graphite and roasted and sanguine meats, while hints of white pepper accompany the palate through a long and winding finish. Crafted from 100% Syrah grapes from Hyde Vineyard in Napa Valley and aged 20 months in 100% French oak barrels. (5% new, 95% 10 years old).

TOP TOURIST ATTRACTIONS IN INDIA

HARMANDIR SAHIB

The Harmandir Sahib, better known as the Golden Temple is the main tourist attraction in Amritsar, and the most important religious place to the Sikhs. Construction of the temple was begun by Guru Ramdas ji. in the 16th century. In the 19th century, Maharaja Ranjit Singh the upper floors of the temple were covered with gold. It's a stunning temple, and always full of thousands of pilgrims from all over India, excited to be at a place that they usually only see on television.

VARANASI

Situated on the banks of the River Ganges, Varanasi is sacred to Hindus, Buddhists and Jains and also one of the oldest continuously inhabited cities in the world. In many ways Varanasi epitomizes the very best and worst aspects of India, and it can be a little overwhelming. The scene of pilgrims doing their devotions in the River Ganges at sunrise set against the backdrop of the centuries old temples is probably one of the most impressive sights in the world.

AJANTA CAVES

The Ajanta Caves are rock-cut cave monuments dating from the 2nd century BC. The magnificent Ajanta caves were abandoned around 650 AD and forgotten until 1819, when a British hunting party stumbled upon them. Their isolation contributed to the fine state of preservation in which some of their paintings remain to this day. The well preserved murals depict everything from battlefields to sailing ships, city streets and teeming animal-filled forests to snow-capped mountains. The city of Aurangabad is the gateway to the Ajanta Caves as well as the equally spectacular Ellora Caves.

US FDA: In 1995, the Federation of American Societies for Experimental Biology (FASEB) reaffirmed the safety of MSG for the general population. After using garlic rub your fingers thoroughly with the bottom of a stainless steel spoon under running water. Then wash your hands with soap. The metal magically reduces the garlic odour.

HA HA HA !!!

There was a father who called his 5 small children together. As they sat together in a circle on the floor the dad placed a toy in the middle. He explained to them that he won this toy as a door prize and he wanted to give it to one of them. He asked them "who is the most obedient?" Five sets of eyes looked up at him. Sensing that they didn't understand the word he then asked, "ok, who always obeys mommy, and does everything she says?" One of the children picked up the toy and handed it to the father. "You win!" exclaimed the child.
