## MOST BEAUTIFUL CANYONS OF THE WORLD

### GORGE DU VERDON

The Gorge du Verdon is a river canyon in south-eastern France that is considered by many to be Europe's most beautiful. The canyon is about 25 kilometers in length and rises a spectacular 700 meters (2,300 feet) from the Verdon river below. The river, which is named after its startling green emerald color, is one of the canyon's most beautiful features. The area has become a magnet for walkers, climbers and lovers of water sports which includes rafting, kayaking, sailing and water skiing.

### TIGER LEAPING GORGE

Tiger Leaping Gorge is situated on the Yangtze River in southwestern China. About 15 km (9 miles) in length, the canyon passes through a series of rapids surrounded by mountains on both sides that sharply rise 3,000 meters above the river. It is believed to be the deepest canyon in the world – depending on the criteria applied. The canyon's narrowest point is just 30 meter wide.

### GRAND CANYON

The Grand Canyon is located in northern Arizona and is one of the great tourist attractions in the United States. Carved over several million years by the Colorado River, the canyon attains a depth of over 1.6 km (1 mile) and 446 km (277 miles) long. The Grand Canyon is not the deepest or the longest canyon in the world but the overwhelming size and its intricate and colorful landscape offers visitor spectacular vistas that are unmatched throughout the world.

## QUOTES FOR THE MONTH

- 🌸 I do some of my best thinking while pulling weeds.
- 🌸 There is something permanent, and something extremely profound, in owning a home.
- 🌸 The home should be the treasure - chest of living.
- 🌸 The home is the chief school of human virtues.
- 🌸 Here's kind of my motto - If you're not happy at home, you're not happy anywhere else.
- 🌸 Love and desire are the spirit's wings to great deeds.
- 🌸 The man who is swimming against the stream knows the strength of it.
- 🌸 The saline waters of the Ocean, the contaminated drains, the stinking ponds, the stagnant lakes.... from any where, when water evaporates into above and comes down again as rains, it is pure drinking water.... When prayers go up, blessing come down.
- 🌸 Man needs difficulties; they are necessary for health.
- 🌸 True happiness comes from the joy of deeds well done, the zest of creating things new.
- 🌸 The secret of happiness is to admire without desiring.
- 🌸 Happiness is when what you think, what you say, and what you do are in harmony.
- 🌸 Happiness is like a cloud, if you stare at it long enough, it evaporates.
- 🌸 Happiness is a virtue, not its reward.
- 🌸 He plants trees to benefit another generation.

## Biggest Hotels In The World: The Highest Number Of Rooms To Stay In Izmailovo, Moscow – 7,500 Rooms

The Izmailovo has a total of 7,500 rooms and it may take a while before any hotel can surpass such number. The whole unit is made up of four towers, 30 floors each. Each tower is given a name from the Greek alphabet – Alfa, Beta, Vega, and Gamma-Delta. Erected on a former Romanov land, this hotel is where the Olympic athletes were housed during the 1980 Olympiad. Flaunting a three-star rating, the Izmailovo Hotel is also located close to many tourist attractions.

I was at the airport, checking in at the gate when an airport employee asked....."Has anyone put anything in your baggage without your knowledge?" To which I replied, "If it was without my knowledge, how would I know? She smiled knowingly and nodded, "That's why we ask."

## Learn about.....

### Pinot Grigio del Trentino Aldeno

One of the traditional grapes of the Trentino finds its ideal environment in the northern areas of Aldeno, which our winegrowers call Ruländer. The wine made from this grape, after being subjected to cryomaceration is a straw yellow colour with pale green reflections, it has an intense and subtle aroma of quince, pear and apricot. The taste is full, smooth and persistent. It is an excellent wine for fish and also accompanies first courses, soups and cold meats. It should be served chilled at a temperature of 12 - 13°C.

## TIPS!

Extract more juice from lemons and lime - Roll lemon on the counter top before cutting and juicing to extract more juice from the lemons. Microwaving the lemon for 15 seconds also helps. Extract juice after it cools.
