*If you sauté sliced onions without oil, the moisture content in the onions will be reduced faster. You can then add a little oil to sauté the onions. This way, you tend to use less oil and your sautéing is faster.*

## TOP TOURIST ATTRACTIONS IN BANGKOK

### GRAND PALACE & WAT PRAKEAW

The construction of the Grand Palace started in 1782 when the capital of Siam was moved from Thonburi to Bangkok. The palace served as the residence of the Kings of Thailand until the mysterious death of King Ananda Mahidol in 1946. His brother King Bhumibol Adulyadej who succeeded him moved permanently to the Chitralada Palace. Today the palace is a major Bangkok tourist attraction. Part of the palace compound is dedicated to a royal temple, Wat Phra Kaew, the most sacred temple of Thailand and home to the famous Emerald Buddha. A jade statue adorned in gold clothing.

### TEMPLE OF THE RECLINING BUDDHA

Wat Pho is famous for the huge Reclining Buddha statue it houses. It is one of the largest temples in Bangkok and also one of the oldest, constructed nearly 200 years before Bangkok became Thailand's capital. Wat Pho holds the distinction of having both Thailand's largest reclining Buddha image and the largest number of Buddha images in Thailand. The gold-plated Reclining Buddha statue is 46 meters long and 15 meters high, and commemorates the passing of the Buddha into Nirvana.

### WAT TRAMIT

The Wat Traimit temple in the Chinatown area is best known for its more than 3 meter (10 foot) high golden Buddha image weighing more than five tons. Cast in the Sukhothai style, the image is about 900 years old and was covered in plaster to hide its value. Only in 1957 it was discovered that the statue was pure gold, when the image was moved to a new building and slipped from a crane. The temple itself is said to date from the early 13th century.

HOME REMEDIES  
FOR BURN RELIEF

## ALOE VERA

IT IS GREAT FOR HEALING AND SOOTHING BURNS. DIRECTLY  
 APPLY ALOE VERA GEL ON THE BURN. ITS SOOTHING AND  
 REJUVENATING PROPERTIES WILL HELP COOL THE BURNED SKIN.  
 SINCE THE ACTIVE INGREDIENT (ACEMANNEN) BREAKS DOWN  
 QUICKLY, FRESH INNER LEAF FILLETS ARE MUCH PREFERRED.  
 FRESH ALOE VERA QUICKLY SOOTHES PAINFUL BURNS AND  
 OFTEN HEALS EVEN SERIOUS BURNS WITH LITTLE OR NO  
 SCARRING.

Storing leftover chapati dough - Store leftover chapati dough in  
 the refrigerator in an airtight container after applying a little  
 oil over it to prevent it from drying.

Room-temperature vegetables cook faster than cold ones. While we don't advocate letting meat, poultry, fish or dairy sit out, we do let our vegetables come to room-temperature so they will sear quickly, cook evenly and blend more readily with other ingredients.

#### Torres Ibericos Rioja Crianza 2013

Rioja wines are elegant, original and have the unmistakable character of great wines, something which is only possible when grape varieties, vine-growing methods and winemaking procedures have been honed over time. Given the diversity in winegrowing offered by the Designation, it has been a traditional practice by the bodegas to blend different grape varieties and wines, from different vineyards and towns, seeking the complementary elements which will intensify their respective properties in the end product. This is undoubtedly the best-known kind of Rioja, although bodegas are increasingly offering a rich variety of styles with wines of high fruit concentration which aim to express the traits of specific vineyards.

With Tempranillo as the main element, Rioja reds are characterised by being very balanced in their alcohol content, colour and acidity, by having a body and structure offset perfectly by a gentle and elegant flavour and by being mainly fruity in nature when young and more velvety when aged. These characteristics make Rioja Wines highly versatile when combining with the most varied foods. This, together with the fact that it is a user-friendly, easy-to-drink wine, constitutes one of the keys to its success.
