TOP TOURIST ATTRACTIONS IN JORDAN

Just south of the capital is Madaba, a small town known for its religious structures and its ancient art. Most notably, it is known for the Madaba Map, a mosaic from the sixth century that shows a map of Jerusalem and other holy sites. The Madaba Map is found in St. George's Church. If you're interested in the history of Madaba, then be sure to visit the Madaba Archaeological Park as well as the Madaba Museum. To see all these attractions and more in a single vista, climb to the bell tower of the Shrine of the Beheading of Saint John the Baptist, which can offer spectacular views.

For scenery and the chance to hike in the great outdoors, the Dana Nature Reserve is undoubtedly one of the top spots in Jordan. Your base will be the 15th century village of Dana, which has remained largely original and boasts a few accommodation and dining options, should you decide to make it an overnight trip. The main reason to visit the Dana Nature Reserve is to hike in the reserve, climbing up and down slot canyons and valleys. The landscape is beautiful and pristine, allowing for memorable views and plenty of exceptional photography opportunities.

Have lots of peeled garlic in an air tight box in the refrigerator. Make ginger garlic paste in bulk and put it in the fridge. Similarly, make green chilly paste and keep in the fridge. This saves a lot of cooking time.

Learn about.....

Santa Rosa, CA

Adler Fels has announced that it has completely renovated its established brand with new wines, new packaging and accomplished winemakers, Aaron Bader and Linda Trotta, making their renewed commitment to innovative and world-class winemaking and premium sourcing a reality. "Thirty-five years ago Adler Fels began by crafting award-winning wines through a simple focus: excellent sourcing and a world-class winemaking team that allows the qualities of the grapes to shine through to the glass," says Bader. "Today we've refocused on that vision with new energy - searching out the best vineyards in the best regions, grown by interesting people in interesting places. As winemakers, we've been given carte blanche to make wines that really speak to the varietal and the

region where the grapes are grown." This reenergized vision is marked by the targeted release of the 2014 Pinot Noir, 1,500 cases produced, sourced from the Santa Rita Hills and the Russian River Valley, retailing at \$27.99, and the 2015 Chardonnay, 1,000 cases produced, sourced from the Russian River Valley and Monterey County.

TIPS!

Grate a whole coconut at a time and refrigerate/freeze it so it can be used easily whenever needed. You can use the grater attachment in the wet grinders to get it done easily. I prefer freezing as it stays fresh longer (upto 3 months). Thaw it for 5 minutes before each use.
