TOP TOURIST ATTRACTIONS IN THE WORLD

Havasu Falls – Grand Canyon National Park USA: Havasu Falls is paradise on Earth. This is an absolutely amazingly beautiful waterfall located in a remote canyon of Arizona. The spectacular waterfalls and isolated community within the Havasupai Indian Reservation attract thousands of visitors each year. The Havasupai are intimately connected to the water and the land. This blue- green water is sacred to the Havasupai.

Canyon – Iceland: is a canyon in south east Iceland which is up to 100 m deep and about 2 kilometres long, with the Fjaðrá river flowing through it. It is located near the Ring Road, not far from the village of Iceland . The canyon was created by progressive erosion by flowing water from glaciers through the rocks and palagonite over millennia.
