TOP TOURIST ATTRACTIONS IN THE WORLD

If you glimpse **LAKE BLEED IN SLOVENIA** from one of the distant mountaintops, you will be convinced that you are seeing some magical, lost fantasy world of dragons and knights: A vivid emerald green lake with a tiny island in the middle with a church perched on its cliff and an ancient medieval castle clinging to its slopes, hugged on all sides by enormous mountains, snow-topped and covered with dark, green, ancient forests.

Lake Bled is just as beautiful as you get closer and is a popular Slovenian tourist destination that attracts those seeking romance on Bled Island,

visitors enjoying a leisurely hike around the lake or rowing its placid waters, and young adventurers exploring the steep hiking trails of the surrounding Julian Alps and the Karavanke Mountains. 25 Most Beautiful Places in the World - Photo: Kavita/Fotolia

Most beautiful of all the picturesque villages of the beautiful Greek island

Located on top of a cliff with a spectacular view of the Palea volcano, Nea Kameni, and the island of Thirassia, Oia is the most popular and arguably the most beautiful of all the picturesque villages of the beautiful Greek island of Santorini. Only about 11 km from Fira, on the north of the island, Oia will charm you with its traditional stone houses lining the narrow streets, breathtaking blue-domed churches, and sunbaked verandas.

While the village has its share of taverns, souvenir shops, and cafes, Oia is more quiet and laid-back than busy Fira and most people enjoy its quaint beauty by slowly exploring its narrow streets. Stroll through the village's small port of Ammoudi by descending 300 steps down the cliff, or enjoy colorful galleries showcasing art from the many artists who fell in love with the village and made it their home. Oia, Santorini is considered by many one of the prettiest places in the world. 25 Most Beautiful Places in the World - Photo: Photocreo Bednarek/Fotolia

Brush up on hygiene. Many people don't know how to brush their teeth properly. Improper brushing can cause as much damage to the teeth and gums as not brushing at all. Lots of people don't brush for long enough, don't floss and don't see a dentist regularly. Hold your toothbrush in the same way that would hold a pencil, and brush for at least two minutes.

MAYACAMAS

Mayacamas, the historic Napa Valley winery located in the hills of Mount Veeder, is proud to announce the release of its 2016 Chardonnay, the fourth release under the ownership of the Jay Schottenstein family and their highly skilled team, including Winemaker Braiden Albrecht and Consulting Winemaker Andy Erikson. The 2016 Chardonnay proves that the Schottenstein-era Mayacamas continues the storied legacy and distinguished history of the brand, while simultaneously moving Mayacamas into the future.

Mayacamas-Chard16 Staying true to the vineyard's timeless winemaking style, the grapes were harvested early to retain natural acidity, sorted by hand and pressed whole cluster. Fermentation was completed in combination of small barrels (10% new) including large format puncheon and stainless steel. The wine was aged on the lees for seven months, making a total of ten months aging. Following the pre-bottle aging, the finished wine saw nine months of in-bottle aging.
