## TOP TOURIST ATTRACTIONS IN THE WORLD

**New York City** Cool, cosmopolitan, crowded, constantly evolving ... the Big Apple blends big city splendor with small-town charm. Amid Gotham's iconic landmarks and towering skyscrapers, you'll experience a vibrant culture permeating each of the city's distinctive neighborhoods and boroughs. Follow trendsetters to the East Village and Brooklyn to check out indie boutiques, iconic bakeries and trendy coffee shops. Afterward, peruse the racks of the sleek shops lining Fifth Avenue, admire the cutting-edge art collections at the MoMa and the Met, catch a memorable show on Broadway or sit down for a meal at the latest "it" restaurant.

### Florence

This little city, tucked amid the Tuscan hills, casts a long shadow through history. The wellspring of the Renaissance, Firenze (or Florence) sheltered the powerful Medici family and inspired artists like Michelangelo (David) and Brunelleschi (the Duomo). If it weren't for the fashionable

Italians and chic shops lining Via Tornabuoni, you might think you had traveled back in time to the 14th century. But Renaissance art is not the only reason to come: You also visit Florence for its gorgeous sunsets, its Italian cooking and its unbeatable romantic charm.
