### The Most Beautiful Villages of France

### Basilica of Our Lady of Guadalupe Mexico City

The Old Basilica, begun in the 16th century and completed in 1709, stands in stark contrast to the massive new basilica, designed by the Mexican architect Pedro Ramírez Vázquez, which was built in the mid-1970s and looks like a sports arena. It is, in fact, intended to hold 50,000 people, who come for mass celebrated several times a day and to see an image of the Virgin Mary that is said to have appeared on an apron in 1531.

### Drop a Yolk

Want a quick snack to carry you over until lunch time? Cook up one full free range egg and one egg white, saving the other yolk for cooking or baking. The egg/egg white combo will give you fewer than 100 calories, but it will be a tasty treat to keep you from being hungry.
