## TOP TOURIST ATTRACTIONS IN THE WORLD

The only hill station of Rajasthan, its cool atmosphere and lush green surroundings make it a major tourist spot within the state. The most important attraction, however, are undoubtedly the Dilwara temples, which is one of the most stunning piece of architecture in the country. If you are a history or architecture buff, this is one of the places you should absolutely not miss out in India.

### A Beautiful Station in Rajasthan

### Kochi Kerala "Queen of Arabian Sea"

Situated on the south-west coast of India, Kochi or Cochin is a bustling commercial port city with a trading history that dates back to at least 600 years. Called as the Queen of the Arabian Sea, the city is the financial, commercial and industrial capital of Kerala.

The city is marked by influences of Arabs, Dutch, Phoenicians, Portuguese, Chinese and the British city as well as that of the Indian rule of Chera Dynasty followed by rule of the Feudal Lords. A gaggle of islands inter-connected by ferries, this cosmopolitan town has up market stores, art galleries and some of the finest heritage accommodations.

Tips

When mixing cake batter, icings or whipping any liquid, keep a wet cloth under the vessel. This will help you get a better grip of the vessel since it will not slip over the work surface.

## TIPS!

Place a wooden spoon over boiling water to keep it from boiling over. There is a lot of science behind this, but the easiest way to explain why this works is because the spoon pops a lot of the bubbles once they come into contact with it, and it also absorbs some of the moisture. Apparently, metal spoons don't work because they heat up too fast. It's worth a try!
