TOP TOURIST ATTRACTIONS IN THE WORLD

When in Barcelona, make sure to stop by La Sagrada Familia, a Roman Catholic church designed by Catalan Spanish architect Antoni Gaudi. While seeing the structure from the outside is rewarding enough for many, the few euros required to enter are well worth it. Attracting more than three million people per year, the conglomeration of tall towers has been under construction since it was erected over 100 years ago. It's a work in progress - each year leaves it with stronger restorations - but it's still a spectacular attraction that cannot be missed.

LA SAGRADA FAMILIA

BANFF NATIONAL PARK

The oldest and most majestic national park in Canada, Banff National Park attracts over four million visitors a year. That's quite a lot, but it's open year-round and hosts a variety of attractions, from its glacier run-off and cave system to its amazing wildlife. But you don't have to have a high-intensity trip to enjoy the park. There are plenty of restaurants, international retail spots, and other cultural attractions that also appeal to travellers - not to mention, the photo ops are endless.

Counters, coffee tables, or nightstands with sharp corners could be an injury waiting to happen. Soften those corners by adding stick-on corner guards or moldable putty that dries into rubber.

QUOTES FOR THE MONTH

- ★ Living in the favourable and unfavourable, situation is called a part of living. But smiling in all those situations is called the art of living!
- ★ The relationship with good persons is like sugarcane. You break it, crush it, squeeze it, and even grind it; still victory.
- ★ Being a good person is like being a goal-keeper. No matter how many goals we save, people will remember only the ones that we had missed to save.
- ★ I understand it isn't a question of how powerful my 'God' is, But it's a question of how power my 'faith' in him is.
- ★ Silent lips may avoid many problems, but smiling lips will solve many problems. Always have a lovely smile on your face!
- ★ Expose your strength to your enemies but not to your friends and expose your weaknesses to your friends but not to your enemies.

Learn about.....

CABERNET SAUVIGNON

The 2014 Cabernet Sauvignon is vibrant and textured, offering aromas of red raspberry, sarsaparilla and black pepper. This wine has beautiful structure with elegant tannins and length that is highlighted by notes of bay laurel, all spice and mulberry. Secondary notes of graphite, black olive and cacao hint at classic wines of the old world. The Cabernet Sauvignon grapes are harvested early to retain bright acidity and firm tannins. For fermentation, the winemaking team utilizes a combination of cement vat fermenters, open-top foudre and stainless steel. After approximately two weeks on skins, the grapes are gently pressed and are ready for aging. The 2014 Cabernet aged 32 months in neutral oak – 20 months in large format foudre and 12 months in barrique. After bottling, the wine is cellared for 12 additional months before release.
