## TOP TOURIST ATTRACTIONS IN THE WORLD

The Eiffel Tower sells about 7 million tickets annually and is appreciated at a distance by all Paris visitors. Completed for the 1889 Exposition Universelle after two years of construction, it has 1,665 steps to the top and elevators to two observation levels. Computer programmed beacons, which are seen up to 50 miles away, complement the tower's 20,000 lightbulbs as part of a thrilling, hourly night show designed to celebrate the millennium.

### Eiffel Tower, Paris

### Hollywood Sign, Los Angeles

The Hollywood sign, which debuted as Hollywoodland in 1923 to advertise a real estate development, was rebuilt in 1978 to mark the iconic industry that makes Los Angeles a company town, even today. For the best selfies, park along North Beachwood Drive off Franklin Avenue and look up Beachwood Canyon, or get nostalgic at Griffith Park Observatory, where "La La Land" was filmed.

It is important to wash your hair regularly. Avoid oily hair products, such as anti-frizz products, because they may eventually spread over the forehead, causing blackheads. Remember to cover your face when applying hairsprays and gels.

TIPS

**Do not forget to floss your teeth regularly**  
**Flossing your teeth will improve the health of your gums, the freshness of your breath, and the overall hygiene of your mouth. I bet you've heard it a hundred times before, but if you're still ignoring it, now's probably the best time to consider the advice. And did you know it has also been found to help prevent heart disease?**  
 ...Prabu

**Judge:** This is the fifth time you are convicted for burglary. Aren't you ever going to feel sorry?  
**Theif:** Why should I, Your Honour? this is the fifth time I am before you. Do you feel sorry to see me?  
 Sangeetha....

## 'Elvis' Wine To Celebrate Icon's 50th Anniversary

ot18.com Debuts New 'Elvis' Wine To Celebrate Icon's 50th Anniversary Comeback TV Special. Sleek, charismatic, legendary. For the 50th anniversary of the Elvis' comeback special, we celebrate his life and music with a Cabernet Sauvignon that brings on the rock 'n' roll and will leave you swooning like a heartsick fan. Get all shook up by the flavors of black cherry, plum and savory herbs, grounded by concentration and balance — you won't be able to help falling in love with this red. Like Elvis himself, it's a wine that inspires many imitators, but there can only be one original.

TIPS!

Don't eat carbohydrates for at least an hour after exercise. This will force your body to break down body fat, rather than using the food you ingest. Stick to fruit and fluids during that hour, but avoid beer.
