TOP TOURIST ATTRACTIONS IN THE WORLD

One of the 7 wonders of the world, the Taj Mahal, Agra is a sneak peek into the architectural history with other UNESCO World Heritage Sites as Agra Fort and Fatehpur Sikri. History, architecture, romance all together create the magic of Agra and hence makes for a must-visit for anyone living in or visiting India. Located on the banks of river Yamuna, History fanatics, as well as architecture buffs, can have a ball here with the sheer expanse of the Mughal art and culture on display. Apart from its monuments, the city also has some exciting stuff for foodies - including the famous Agra ka Petha and amazing chaat and Lassi. However, be a little cautious about conmen in the guise of unofficial tour guides and fake handicrafts.

Taj Mahal

Andaman & Nicobar Islands

Replete with picturesque shimmering beaches, lagoons of turquoise blue waters and a bit of history, Andaman & Nicobar Islands is a little slice of paradise tucked around 1,400 km away from the east coast of India. The union territory comprises a total of 572 islands, only 37 of which are inhabited and a few are open to the tourists. Port Blair, the capital city of Andaman & Nicobar Islands, is the gateway to the archipelago and is connected with various islands via multiple daily ferries. Havelock and Neil Island are some of the most famous islands among tourists and is known for pearly white sands, palm-lined shores and offer some of the best snorkelling and diving options in India.

“Judy Chicago” White and Red wine

World-renowned artist Judy Chicago for the past few years has been the toast of the art world with major exhibitions in New York, Los Angeles, San Francisco, Washington, D.C., and Miami. This year she will have three shows examining both her early career and the debut of her new series, “The End,” as well as the opening the Through the Flower Art Space in Belen, New Mexico, which will celebrate her art as well as that of her husband’s photographer Donald Woodman and rotating shows highlighting art by New Mexican artists. Chicago is also about to become the toast of the wine world with the launch Jaramillo Vineyard’s debut of a “Judy Chicago” white and red wine, which will feature a label and bottle design conceived by the artist herself.

Jaramillo Vineyards is a ten-acre vineyard and winery located in Belen, New Mexico. The vineyard was planted between 2003-2006 and the winery was established in 2013. Robert Jaramillo, a New Mexico born pilot-turned-vintner follows his father and grandfather’s tradition of grape growing and winemaking with the goal of making great wines that “just happen” to come from New Mexico. His partner in this lofty endeavor is his wife, Barbara. Jaramillo Vineyards wines have won medals annually at the San Francisco Chronicle, New York International Finger Lakes, and New Mexico State Fair wine competitions.
